

Brève - Registration for the Nautic's 'innovative product exhibition' is open !

22 octobre 2018 - 11h36

Are you a boating professional with an innovative product in your hands? Act now and sign up on the Nautic Paris Boat Show website to ensure that your product is exhibited at the heart of Hall 1 for 9 days in a specially designed area.

As was the case in 2017, the Nautic is keen to give innovation a key role within the show. Indeed, boating is a sector which is evolving fast and constantly breaking new ground, yet this development is not very visible.

As such, by offering the sector's professionals the opportunity to showcase their innovative products at the heart of Hall 1, our aim is to shine a spotlight on

tomorrow's innovations.

Which products are taken into account? All innovations at the start of the marketing process or already being marketed, whose aim is to improve boating practices

How much visibility? The products will be exhibited at the heart of Hall 1 in a specially designed space throughout the 9-day Nautic Paris boat show

Where do you sign up? Via this link to the [form](#)

The deadline for sending us your application? Before midnight on Thursday 8 November 2018

Response? On Wednesday 14 November. Those projects retained will be announced on the Nautic Paris Boat Show website

Nautic - International Paris Boat Show, is a show owned by the French Nautical Industries Federation (FIN), organised by Nautic Festival SA, a subsidiary of the FIN.
